UrbanBox is the first and only architecturally designed strata storage facility in St George & Southern Sydney. Offering the highest level of security, including 42 infrared motion detector cameras throughout and 24/7 back to base security.

This brand-new facility is built to the highest standard, including 205 units in a variety of sizes over three levels, each with automated remote roller doors and drive-in access, designed to make storage simple and flexible for any business or personal needs and budget.

With over 90% of ground floor already sold, this is the most affordable commercial property you could own! Ideally
